PLEASE NOTE: When reviewing your account online, a Negative sign indicates a Negative balance.

If pre-ordering works best for your family, the option is available. Open an account and select the period for which you want to order. **Pre-orders are not necessary.**

FOR PRE-ORDERS, WHEN DO YOU NEED TO HAVE MY ORDER?

We want lunch to be convenient, dependable, flexible, user friendly, enjoyable, and easily accessible. If you are pre-ordering lunch, the school year begins with the option to order daily, or a week at a time. Orders need to be placed by 6:00 a.m. Saturday for Monday of the upcoming week. Select all the items from the online ordering system, and your order will be filled when you come through the lunch line.

WHAT HAPPENS TO MY ORDER IF MY CHILD IS NOT AT SCHOOL?

If your student comes through the lunch line at will, there is nothing to do, as there has been nothing charged.

If you have pre-ordered: To receive credit for future use from a pre-order, cancellations must be emailed by midnight the night before. PLEASE READ CAREFULLY: We allow two emergency cancellations (after our midnight deadline) per semester per student. After two emergency cancellations, any cancellation made after our deadline will result in your account being deducted for the meal.

WHAT HAPPENS IF SCHOOL CLOSSES UNEXPECTEDLY?

If you simply fund the account for purchases as needed, there will be no charges to your account. If you have pre-ordered lunch and the school closes unexpectedly, our office will manually credit you.

WHAT IF I FORGET MY LUNCH AND HAVE NOT ORDERED?

Simply come through the line. Although your 1st choice is not guaranteed, you won't go hungry! Extra food is available. If your student has an account, they purchase what they want. If an account isn't set up, we will request parent contact information from your student at the time of purchase. Our office will contact you for payment details. The school will be contacted for non-payment.
